### PSC RE-SCHEDULES ON-THE-RECORD CONFERENCE IN KCPL CASE

Jefferson City (December 20, 2004)---An on-the-record conference scheduled for Wednesday, December 22, 2004, has been canceled and will be re-scheduled for **January 18, 2005**. The on-the-record conference involves a workshop case opened to examine the future supply, delivery and pricing of electric service provided by Kansas City Power & Light Company (KCPL).

On December 17, 2004, Kansas City Power & Light filed a status report and a motion to cancel the December 22, 2004, on-the-record conference. KCPL suggested in its filing that a conference is premature, in that discussions among the various parties are ongoing. KCPL states no objections have been raised to the cancellation and re-scheduling for January 18, 2005. As a result, the Commission will hold the on-the-record conference on January 18, 2005, beginning at 10:00 a.m. in Room 310 of the Governor Office Building, 200 Madison Street, in Jefferson City.

This on-the-record conference will give parties in this case an opportunity to provide an update of the case to Commissioners. Participants in this collaborative resource planning forum are studying KCPL's long-term strategies to address electric supply, pricing, environmental compliance, workplace needs and regulatory strategies in an open forum setting.

The Governor Office Building meets accessibility standards of the Americans With Disabilities Act. Any person who needs specific accessibility accommodations may call the Public Service Commission's Hotline at 1-800-392-4211 (voice) or Relay Missouri at 711 prior to the on-the-record conference.
